IN BRIEF

Marketing director named for Allen Group

The Allen Group has named Jon Cross director of marketing managing the company's overall marketing and strategic operations as well as external and internal communications. Cross is also an external liaison for the company, traveling throughout the United States to promote The Allen Group to prospective and existing clients, partners and members of the real estate industry.

Cross previously served in various staff positions with Gov. Arnold Schwarzenegger. He is a native of Ohio, a graduate of Ohio State University.

McAuliffe hired

The Allen Group, a San Diego company that is building a major project south of Dallas, has hired Daniel J. McAuliffe as vice president of development to manage their local operation.

Mr. McAuliffe will oversee the building of Allen Group's 5,000-acre intermodal center planned for southern Dallas County.

Mr. McAuliffe has more than 20 years of experience in commercial real estate with companies including Texas Industries Inc., J.E. Robert Cos. and the Brookhollow Corp.

Allen Group develops industrial and office projects in the western U.S.
